Video-Performance Showroom

Páteo das Romãs, Convento dos Remédios
Various venues in the city
Évora

20-21-22-23 September

Video has been having, during its still short but intense existence, a privileged position in relation to performance practices, in the realms of documentation, creation, and also performance.

Centered on the notion of documentation, this Mostra de Vídeo-Performance (Video-Performance Showroom) tries to address all those three realms in a competition and a thematic show. The Convento dos Remédios, with its Pátio das Romãs and warm nights, will be the main venue of the Show. Other spaces in the city of Évora will serve as venues for the Show, where special sessions, opened to the public (free entrance), will take place.

How to participate

- 1 → Send your work in DVD format, with a brief description, credits, and bio.
- 2 → Each video should have identified its author and the section which it should integrate: documentation, creation, or video-performance.
- 3 → All the works should be sent by August 15th 2010 to the following address:
Festival Escrita na Paisagem
Mostra de Vídeo-Performance
Apartado 287
7002-504 Évora
PORTUGAL
(Note: this is a P.O Box, please choose a mailing service that allow you to reach us in this address)
- 4 → Videos will be examined by a panel invited by the Festival. Works may not be exhibited if they do not accomplish the minimum quality criteria. Participants will be informed about the results.
- 5 → The works' descriptions and credits will be published in the Show's catalogue.
